

# AIJA 64th International Young Lawyers Congress

## Host a Home Hospitality Dinner!

Dear Vienna Colleagues,

AIJA (International Association of Young Lawyers) is hosting its 64th Congress in Vienna from 24 – 28 August 2026. The Congress will bring together over 800 young international lawyers for a dynamic academic program and a variety of networking events in the heart of Europe.

Among the highlights of the social programme is the beloved Home Hospitality Dinner on 26 August 2026. During this special evening, AIJA participants are randomly assigned in small groups to enjoy dinner at the homes of local lawyers – and this is where we need you!

We warmly invite you to open your home and host a group of international guests for a relaxed, fun, and memorable dinner experience.

### Event Details:

- **Dinner Format:** Whether it's a casual kitchen dinner, a garden BBQ or a more formal setting – everything goes! What truly matters is great company and a warm, personal atmosphere. The dinner should take place at your home, not at an office or law firm.
- Typically, hosts prepare local specialties to share with their guests. Any dietary restrictions or intolerances will be communicated in advance. In return, guests often bring small traditional gifts from their home countries. The result is a fun and entertaining evening full of cultural exchange and great conversation.
- **Guest Numbers:** You decide! Minimum 3 guests, with an average of 4–6 per host.
- **Start Time:** Around 19:30.
- **Afterparty:** Following the dinners, all hosts and their +1s are invited to join the Home Hospitality Afterparty at Volksgarten (details to follow).

By hosting, you'll contribute to the spirit of AIJA, foster new friendships, and share a unique glimpse of Viennese hospitality.
