## AIJA's 64th Annual Congress – Vienna 2026 Lawyers in Concert: Connecting, Creating, and Committing to Service

Framed by imperial palaces, elegant boulevards, and timeless concert halls, Vienna offers the perfect stage for the 2026 AIJA Annual Congress. As the home of the United Nations, OSCE, and countless international institutions, this vibrant capital is more than a historical and cultural treasure, it's a hub for diplomacy, cooperation, and transformative ideas. With its rich legacy in law, music, and the arts, Vienna is where tradition meets innovation.

Our theme, Lawyers in Concert: Connecting, Creating, and Committing to Service, sets the rhythm of this Congress. In the spirit of collaboration and harmony, we invite legal professionals from around the world to explore the pressing issues shaping our industry today, from the rise of AI in legal practice to the global call for sustainability, equity, and meaningful access to justice.

The 'Academic Quartet' of coordinators is orchestrating a programme designed to resonate with the modern legal professional: bold, engaging, and multidisciplinary. Built in close harmony with AIJA's Commissions and Boards, the sessions will serve as an open stage to explore new ideas, cross-sector innovation, and client-centric legal service.

Our Congress venue, in the very heart of Vienna, echoes the sophistication and energy of our theme. Just steps away from the Vienna State Opera, Hofburg Palace, and historic coffeehouses serving slices of Sachertorte, it invites discovery, reflection, and connection. Whether you're exchanging ideas in a workshop or networking over coffee, the setting is one of inspiration.

But AIJA Congresses are never only about academic excellence. They are about forging lasting relationships, experiencing culture together, and stepping into a truly global legal community. As we gather in this 'City of Ideas,' we encourage you to stroll the Danube, explore the MuseumsQuartier, and experience why Vienna consistently ranks among the world's most liveable cities.

In Vienna, 'servus' is more than a greeting, it's an invitation. Join us in turning that greeting into action. Let's connect, create, and commit to a legal profession that is more inclusive, more innovative, and more in tune with the world it serves.

\*'Servus' is a common, friendly greeting in Austria, equivalent to 'hello' or 'hi'. The term originates from the Latin word meaning 'servant' or 'at your service', which interestingly connects to the concept of legal service and dedication to others in the legal profession.

**“Servus to Vienna - where imperial elegance meets modern innovation, where tradition is etched in stone and progress resonates in every corner.”**

# Social programme

As a sponsor of the Annual Congress, you have the opportunity to develop quality business relationships by having direct one-to-one engagement in a relaxed environment. All the academic programme, coffee and lunch breaks, and the three-day exhibition happen in one place every day. And the Congress continues long after the academic sessions have ended. A variety of social events, including a welcome reception, opening ceremony, day out, gala dinner, afterparties, promise to bring the Congress

to the most exclusive and vibrant venues in Vienna while providing a platform for networking with participants.

Here at AIJA, networking and building long-lasting connections is easy. Sponsoring the Annual Congress will be a perfect opportunity to highlight your organisation in the international legal sector and create a lasting bond with AIJA and its members for future ventures.
